Annual Registration Fee*	\$150.00	_____
Admission Fee (One time)**	\$200.00	_____
Total Due Upon Registration		_____

*The annual registration fee of \$150 per family is due at the time of registration. The registration fee is used for our piano maintenance and tuning, hall rentals for recitals and accompanist fees. The fee also helps to cover our photocopy machine, maintaining and upgrading our computer theory lab, as well as the payment of the secretarial and custodial staff. This fee also supports our building expenses, our utilities and rent and many other operational costs that a school of this size needs to maintain to create an excellent working environment.

**The admission fee of \$200 is paid only once per family. This is a one time fee, regardless of how many siblings join in the following years. This fee also covers the *six hour parent training course* and the new parent package.

I understand that this registration is my commitment to the entire Suzuki Institute of Dallas, Inc. school year of 40 weeks and I am responsible for all fees and tuition that I have indicated in the above Payment Agreement. My child's registration is my commitment to the full year of lessons. My child's place in his/her teacher's studio is reserved only for my child for the entire school year. Non-completion of the school year does not relieve my family of our financial obligation for the full year. I have read and understand the policies of the Suzuki Institute of Dallas and the Financial Responsibility of Parents. Initial: _____
